

Morningside Manor

A purpose built care home to be registered with nursing, equipped with 42 single room with shower en-suite facilities. Bringing you exciting internal design features and external spaces such as cinema & activities rooms, visitors cafe, Library and our multiple lounges which lead to our ground floor enclosed gardens or our first floor garden terrace.

In the South West of the city of Edinburgh lies the refined and cultural area of Morningside. Morningside's affluent residential element presents beautiful Victorian villas dotted throughout. With an eclectic collection of small traditional shops, schools and restaurants as well as other notable buildings of architectural interest.

In short Morningside Manor has much to offer both its residents and visitors.

Encompassing great public transport links, we also provide private parking for our visitors and staff.

We are passionate this thoughtfully planned care facility will marry well with our high quality care standards, providing a fabulous platform for our staff to ensure the residents feel at home.
